

Resilience

As Writers we will...

Use action to drive our narratives forward and vary pace, whilst developing engaging and contrasting characters to draw the reader in further.

As Scientists we will...

Explore and give reasons how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals.

Curiosity

As Historians and Geographers we will ...

We will focus on Post War Britain and explore the Changing Face of Britain from 1950s to the 1980s.

Study the structure of the earth in order to understand how natural disasters occur and investigate the impact of these on people and places.

Year 6 Curriculum Map Autumn

Enthusiasm

As Musicians and Actors we will...

Explore lyrics & melody and how they convey mood, express attitude or tell a story looking at music from 1950 to 1990.

To develop our French we will...

Learn about the different seasons and the weather types within each of them.

As Readers we will...

Explore how setting, mood and tone contributes to the overall meaning of a story.

In PSHE we will...

Focus on developing and maintaining healthy relationships, minds and bodies. We will also be looking at how to look after ourselves and keeping safe in the wider world.

As Mathematicians we will...

Read, write, compare and round numbers up to 10,000,000.

Gain confidence in both negative and decimal numbers.

Be confident in the 4 operations and the formal calculations in order to solve these.

WARREN ROAD PRIMARY

As Artists we will...

Study prominent artists and recreate a piece of art based on an artist from each decade 1950 to 1990.

Aspiration

Using technology we will...

Develop our data handling skills using google sheets, revise the importance of the 3Rs and become web developers.

To develop our physical ability we will...

Develop the skills of throwing, catching and passing and understand positional play in netball.

To develop our religious and cultural understanding we will...

Explore why do we need suffering in the world - looking at both human action & natural disaster and discuss religious explanations for the suffering in the world.

Honesty
