SPRING TERM - ISSUE 3 - FEBRUARY 2021

WARREN ROAD PRIMARY

Message from Mr Ellis

Dear Parents and Carers,

It's the end of the half term!

The most important thing to say is take a break!! You have all been working so hard to support your children at home, or working long hours as a critical worker, please find time to take a break and spend some time as a family. If you haven't watched them already I would strongly recommend 'Finding Hoana' and 'The sleep over' both on Netflix as 2 fun family movies to watch,

Given the circumstances we find ourselves in I could not be happier with my first term at Warren Road. I am immensely proud of the effort children have put into their learning and cannot wait for them all to return to school and see what they achieve in the rest of this academic year.

There will be some exciting new developments in the coming months that will build upon the amazing things that already happen at Warren Road. SO watch this space!

Enjoy your half term!

James Ellis

Covid-19 tests

Amazing Remote Learning

Pupil Voice

This weeks comments are from the amazing children in Year 5!

Our Science lessons are so fun and exciting!

Talk for Writing means I am able to write great stories and always know what to write.

Maths is hard sometimes but my teacher is always there to help me.

Live lessons have been brilliant and help me to feel like I am still at school.

Message from the Inclusion team

A focus on...what is dyslexia?

Dyslexia is a learning difficulty that primarily affects the skills involved with accurate and fluent word reading and spelling. Characteristic features of dyslexia are difficulties in phonological awareness, verbal memory and verbal processing speed.
