Monday 28<sup>th</sup> March 2022

Dear Parents/Careers,

As you may already know, the week beginning 9<sup>th</sup> May is SATs week, so we thought we would give you some information about the week.

The timetable for the week is:

Date	Test
Monday 9 <sup>th</sup> May	English grammar, punctuation and spelling papers
Tuesday 10 <sup>th</sup> May	English reading
Wednesday 11 <sup>th</sup> May	Mathematics papers 1 & 2
Thursday 12 <sup>th</sup>	Mathematics paper 3

To help make the week as relaxed as possible there will be some changes to the normal timetable.

Firstly, the children will need their P.E. kit each day as the teachers will try to get the children outside as much as possible.

Secondly, due to the special nature of the week, we will actually be encouraging the children to bring in a snack/treat to have in the morning for this week only! Small chocolate snacks (mini mars bars, kit-kats etc.), a biscuit or fruit snacks are ideal. **Please ensure they do not contain nuts!**

Whilst there will be some revision during the week, the afternoons will consist of more fun and creative activities to help keep the children relaxed.

We would like to thank all of you for your support over this term. I know that some of you have been through work at home with your children; it is very much appreciated. We have posted some short practice tests for GPS and Maths on google classroom along with answers. Please encourage your children to have a go during the holidays.

Finally, please ensure that children are in school on time. Registers are taken at 8:55am and so children need to be in class by this time and are not late for tests.

Yours sincerely,

The Year 6 team
