***As our catering is managed and delivered 'in house' we have full control over our menu. Having received a completed 'catering requirements' form we will tailor a menu to suit your groups/individual's needs.**

***Where possible, we will supplement suitable products to suit dietary requirements (gluten free, dairy free)**

***Jacket potato is a daily option if the main meal offered is genuinely disliked. If someone is vegetarian / halal they will be given a varied option throughout the week.**

***This is an example menu, and is subject to change depending on the requirements for the group.**
