## Warren Road Triathlon Saturday 16th July

Dear Parents/Guardians,

We are excited to be running our annual Triathlon competition on **Saturday 16th July**, between 12pm and 4pm.

The first triathlon started in 2015 in memory of Gary Bryant, a GB triathlete, who competed in world championship races, and was also dad to three children that attended Warren Road.

This fantastic event is open to children in Years 4, 5 and 6. They will be swimming, cycling and then running round the course within school grounds, fully supervised by our staff and parents helpers. **All children taking part must have a bicycle and helmet and be a fairly competent swimmer and cyclist.**

This year, we will be running this as a house competition as well as an individual competition - the fastest boy and girl from each year group receiving a trophy. There will be medals for all participants. There will also be a bike being raffled off on the day! It really is a great family day.

If you would like to take part in this event, please fill in the form below and return to Mr Rose by **Friday 1st July**. All competitors will receive more details after this date and a competitor's pack with further instructions on the day. Due to the time it takes to run this event, we will be restricting it to 100 participants so please hand your slip in early to avoid disappointment.

Obviously, events like this are only possible with the help of staff and parent volunteers. If you are able to help on the day, please indicate this on the return slip below.

We are also looking for local businesses who may be able to sponsor this event. The money raised would then be used for medals, T-shirts and other prizes for the children who participate. If you have your own business, or know of anyone who would be keen to support us, please email the school office.

Kind regards,  
Mr Rose and the triathlon team
