Dear Parent/Carer

We are delighted that you are interested in obtaining a place for your child/children at Beyond, our before & after school and holiday care provision at Warren Road Primary School.

Beyond is run in the Reception Hall for Reception children, in the Infant Hall for Y1 and Y2 children and in the Stevens Hall for Y3-Y6 children. All the children attending Beyond in the morning are provided with breakfast and then escorted directly to their classrooms to ensure they start the school day promptly. After school the infant children (Year R, 1 and 2) are taken from their classroom to Beyond by staff and the junior children (Y3-6) make their way independently to Beyond. All children are provided with an afternoon meal – wraps, bagels or sandwiches with fruit, biscuits and a drink.

Once the children arrive they are able to participate in a wide range of activities with opportunities to play games, play with toys, physical activities, arts & crafts, cooking, use tablets and the IT suite and the quiet areas to relax and read. We encourage the children to spend time outdoors when the weather allows. We pride ourselves in providing a caring, happy and friendly environment for all our stakeholders. We want the children to be excited about attending each day.

The fees for 2023/24 and times of sessions are:
